

## Internal Quality Assurance Cell (IQAC)

In pursuance of the National Board of Accreditation (NBA) for performance evaluation, assessment and accreditation and quality up gradation of the institution, the NBA itself proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of an institution's system and work towards realizing the goals of quality enhancement and sustenance.

### Strategies

- Ensure timely and efficient performance of academic and extra-curricular activities
- Maintain quality of academic and research activities
- Ensure an error free evaluation procedure
